- ▶ Easy to use Wizard.
- ▶ Distribute on a daily, weekly, or monthly basis.
- ▶ No more missed deadlines!

Consolidate Information

- ▶ Consolidate across companies, or databases.
- ▶ Merge data from multiple sources.
- ▶ Create stunning reports to communicate effectively!

Identify sales trends by item, customer, region, sales person or any other dimension.

Connect Real Time to Your Data

- ▶ Microsoft Dynamics NAV
- ▶ Microsoft Dynamics GP
- ▶ Microsoft Dynamics CRM
- ▶ Microsoft SQL and more...

Drill Back to Your Data

- ▶ Access all the data in your business system.
- ▶ View the details behind the values.
- ▶ Make more informed decisions!

If you know Excel, you will love Jet Reports!

To Business Intelligence

Jet Enterprise

Jet Enterprise is BI Simplified

Jet Enterprise is a complete Business Intelligence solution that provides the answers to your mission critical questions inside an application that you already know – Excel. With little or no training you can quickly analyze issues from many different perspectives to discover trends in your business. Jet Enterprise provides the strategic information you need to identify opportunities and proactively detect issues before they escalate.

Little or No Training Required

The intuitive drag-and-drop interface inside Excel allows you to visually manipulate data to see the information as you desire.

Immediate Return on Investment

Implement in hours and gain valuable insight into your business from day one.

Business Intelligence and Reporting in one tool

Jet Enterprise complements Jet Reports Essentials to provide a complete solution to your business information needs:

- ▶ Strategic and tactical ad hoc analyses
- ▶ Organizational dashboards
- ▶ Reports can be automatically distributed on daily, weekly or monthly basis

Jet Enterprise provides:

- ▶ **Six pre-defined OLAP cubes** designed specifically for the Microsoft NAV database. These cubes include a comprehensive set of dimensions and measures to provide lightning fast and flexible views of:

Finance

Sales

Purchases

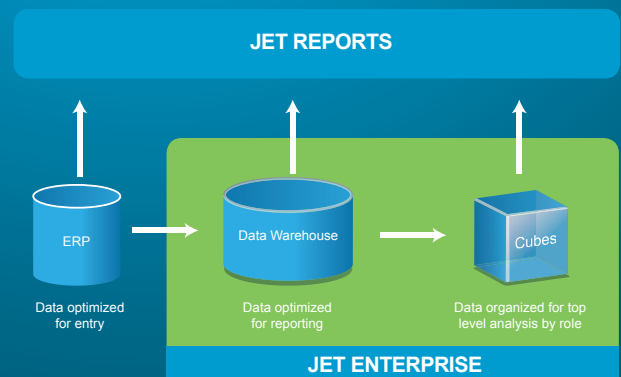

Accounts Payable

Inventory

Accounts Receivable

- ▶ **A Data Warehouse** that is specifically tuned for reporting performance. Key information is brought together to make it simple to retrieve all the information you need.

- ▶ **Reports and Dashboards** allow you to gain valuable insight into your company immediately.

Any report. Any way. Right Now.™

“Using Jet Reports has changed the way BMW dealers do business. It gives them fast, accurate sales data when they need it, and allows them to make informed decisions that are crucial to their success.”

— Eric Annot, Business Consultant, BMW Belgium
